**AGREEMENT
BETWEEN THE
MANCHESTER BOARD OF EDUCATION
AND THE
MANCHESTER EDUCATION ASSOCIATION**

THIS AGREEMENT MADE AND ENTERED INTO as of the 1st day of July, 2010, by and between the MANCHESTER BOARD OF EDUCATION (hereinafter referred to as the "Board") and the MANCHESTER EDUCATION ASSOCIATION (hereinafter referred to as the "Association"), affiliated with the Connecticut Education and the National Education Associations.

**ARTICLE I
RECOGNITION**

- A. The Board recognizes the Association for the purpose of professional negotiations as the exclusive representative of all employees of the Manchester school system within the "bargaining unit" as defined by Sect. 10-153B (a) (2) of the Connecticut General Statutes and with the rights and privileges as provided by sections 10-151 to 10-153 (f) of the General Statutes. Unless otherwise indicated, the employees in such unit are hereinafter generally called "teachers."
- B. The Association accepts such recognition, and agrees to represent equally all teachers without regard to membership or participation in, or association with the activities of, the Association or any other employee organization.
- C. It is the intent and purpose of the parties hereto that their agreements promote and improve the quality of education in the Town of Manchester, provide for orderly professional negotiation between the Board and the Association, and secure prompt and fair disposition of grievances so as to promote positive influences upon the operation of the educational program.
- D. Except as expressly provided otherwise by the terms of this Agreement, the determination and administration of educational policy, the operation of the schools, and the direction of the professional staff are vested exclusively in the Board or in the Superintendent when so delegated by the Board.

ARTICLE II

PROFESSIONAL NEGOTIATIONS

A. **Matters Not Covered by Terms of this Agreement**

1. Before the Board adopts a change in personnel policies affecting conditions of employment not covered by the terms of this agreement and which has not been proposed by the Association, the Board will notify the Association in writing that it is considering such a change, and the Association shall be given an opportunity to negotiate with the Board respecting any such proposed change in policy, provided that the Board is required to negotiate such change pursuant to the provisions of Conn. Gen. Stat. Section 10-153d(e).
2. The Board agrees not to negotiate with any teachers' organization other than that designated as the representative pursuant to Sections 10-153b to 10-153f of the General Statutes of Connecticut. The Board further agrees not to negotiate with any teachers' organization other than the Association in regard to changes in salaries or other conditions of employment to become effective during the term of the Agreement.

ARTICLE III

GRIEVANCE PROCEDURE

A. **Definitions**

1. A "*grievance*" shall mean (1) a complaint by a certified employee that his/her rights under the specific language of this agreement have been violated or that as to him/her there is a misinterpretation or misapplication of a specific provision of this agreement, or (2) a complaint concerning an event or condition which affects the welfare or conditions of employment of a teacher or group of teachers. However, grievances defined in (2) above may only be processed as far as level three of the grievance procedure, and level four shall not apply.
2. An "*aggrieved person*" is the individual or group of individuals alleging that a grievance exists.
3. The "*grieved*" is an individual or group of individuals who are alleged to be the cause of, or who have committed, a grievance.
4. A "*teacher*" is any person who is included in the bargaining unit as defined in Article I.
5. "*Days*" shall mean days when school is in session.

B. **Purposes**

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the welfare or working conditions of teachers.
2. Both parties agree that these proceedings shall be kept as informal as may be appropriate at any level of the procedure. Furthermore, both parties agree that there may be circumstances under which a confidential hearing is essential to protect the welfare of the individual or individuals concerned (subject to the provisions of the Freedom of Information Act).
3. Nothing herein contained shall be construed as limiting the right of any teacher having a problem to discuss the matter informally with any appropriate member of the administration or with any appropriate representative of the Association.
4. Any teacher or group of teachers shall have the right at any time to present any grievance to such persons and through such channels as are designated for that purpose in this Article.

C. Time Limits

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.
2. In the event a grievance is filed on or after June 1, all parties will attempt to exhaust the grievance procedure prior to the end of the school term or as soon thereafter as practicable.
3. If a teacher does not file a grievance in writing as provided herein within thirty (30) days after the alleged act or condition occurred, or no later than the end of the school year in which the alleged act or condition first occurred, whichever comes first, then the grievance shall be considered as waived.

D. Informal Procedures

1. If a teacher feels that he/she may have a grievance, he/she shall first discuss the matter with his/her principal in an effort to resolve the problem informally.
2. If, after such discussion, the teacher is not satisfied with the disposition of the matter, he/she shall have the right to have the Association assist him/her in further efforts to resolve the problem informally with the principal.
3. An employee not having a principal as an administrative superior, shall follow the procedures indicated herein with that administrator or supervisor to whom the employee is directly responsible.

- (b) Within five (5) days after receiving the written grievance, the Association may refer it to the Superintendent of Schools.
- (c) The Superintendent of Schools or his/her designee shall represent the administration at Level Two of the grievance procedure. - (a) If not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) days after the first meeting with the Superintendent, the aggrieved person may file the grievance again with the Association within five (5) days after a decision by the Superintendent,

or fifteen (15) days after the first meeting with the Superintendent, whichever is sooner.

- (b) The Association may refer the grievance to the Board of Education. within fifteen (15) days of receiving the filed grievance from the grievant, subsequent to Level Two disposition.  - (d) No tenured teacher (as defined in section 10-151b of the Connecticut General Statutes) shall be laid off when a position exists which is either vacant or occupied by a non-tenured employee and for which the tenured employee is qualified and immediately certifiable.

APPENDIX D

MANCHESTER PUBLIC SCHOOLS **SCHOOL CALENDAR**

The Manchester Public School Calendar shall be determined by the Board after input from the Association.

APPENDIX E

EXTRACURRICULAR POINT SCHEDULE

As a rule, any newly proposed club or sport must go through a one-year "probation and evaluation" period. After that period, the evaluation will be reviewed by a committee comprised of the building principal, the SAA Advisor (at the school), and a representative of the MEA.

If the committee recommends that the club be given "points," its recommendation must be forwarded to the Human Resource Office by November 1st for possible inclusion in the following year's budget. The committee may also forward to the Human Resource Office recommended deletions.

The Assistant to the Superintendent for Finance and Management shall adopt or reject the committee's recommendation for the following year's budget. The decision by the Assistant to the Superintendent for Finance and Management shall be communicated to all parties involved as soon as possible.

It is clearly understood that "between negotiations" the Administration has the legal right to eliminate and/or create positions and the Manchester Education Association has the legal right to negotiate any point compensation for newly created positions.

- # In-network and out-of-network services apply to the same treatment or dollar maximum

Regarding In-Network and Out-of-Network Services:

- * Once the out-of-pocket maximum is reached, the plan pays 100% of eligible charges for the remainder of the plan year, except for Mental Health and Substance Abuse which continue to be paid at the levels specified.

Regarding In-Network Services:

- All services must be provided by one of the participating providers on our list in order to be covered.

Regarding Out-of-Network Services:

- Your out-of-pocket costs will be higher than with a participating provider.
- All out-of-network hospital admissions and certain outpatient surgical and diagnostic procedures must be precertified and are subject to Continued Stay Review (CSR). A penalty applies to admissions which are not precertified. Non-approved admissions/days result in denial of benefits. The precertification penalty or cost of denied benefits does not apply to deductible or out-of-pocket maximum.

Footnotes

- * Services are subject to calendar year deductible.
- ** Out-of-network services are subject to the calendar year deductible and maximum reimbursable charge limitations. Providers may bill the member the difference between their billed charge and the maximum reimbursable charge as determined by the benefit plan.
- # In-network and out-of-network services apply to the same treatment or dollar maximum..

Regarding In-Network and Out-of-Network Services:

- * Once the out-of-pocket maximum is reached, the plan pays 100% of eligible charges for the remainder of the plan year, except for Mental Health and Substance Abuse which continue to be paid at the levels specified.

Regarding In-Network Services:

- All services must be provided by one of the participating providers on our list in order to be covered.

Regarding Out-of-Network Services:

- Your out-of-pocket costs will be higher than with a participating provider.
- All out-of-network hospital admissions and certain outpatient surgical and diagnostic procedures must be precertified and are subject to Continued Stay Review (CSR). A penalty applies to admissions which are not precertified. Non-approved admissions/days result in denial of benefits. The precertification penalty or cost of denied benefits does not apply to deductible or out-of-pocket maximum.
